

MINUTES GFSS PAC MEETING

Nov. 16, 2010

Attendance: Yvonne Johnston, Kelly Fitzpatrick, Tracy Noseworthy, Terry Nuyten, Natalie Strukoff, Wanda Hecht, Nicola Hecht, Brent Johnson

Business Discussed:

GFSS Swim team came in to thank the PAC for our help in funding their trip to the Provincial Swim Meet.

A letter was sent from Scott Stewart addressing the issue of whether or not we will be having future dances, and what changes may need to be made to school policies regarding the consequences for students that do not follow the school rules when coming to a dance.

A motion was made by Kelly Fitzpatrick, and was seconded by Yvonne Johnson to be able to vote on items via e-mail between meetings to prevent delays in moving forward on time sensitive issues.

Yvonne would like to see more done to implement a Drivers Ed. program at GFSS.

A presentation on Healthy Eating in our schools was put on by Heather Shilton. She is needing a parent volunteer to be a part of a committee to help make recommendations on Where our school is going and or needs to go regarding healthy food choices and options in our school.
